# AUTOGRAPHS

The background of the entire page is a light cream color. It is decorated with numerous short, diagonal line segments in various colors including purple, pink, blue, green, yellow, orange, and red. These lines are scattered across the page, creating a dynamic, abstract pattern. The word 'AUTOGRAPHS' is printed in a black, sans-serif, all-caps font, tilted at an angle that matches the orientation of the lines.

# IN LOVING MEMORY

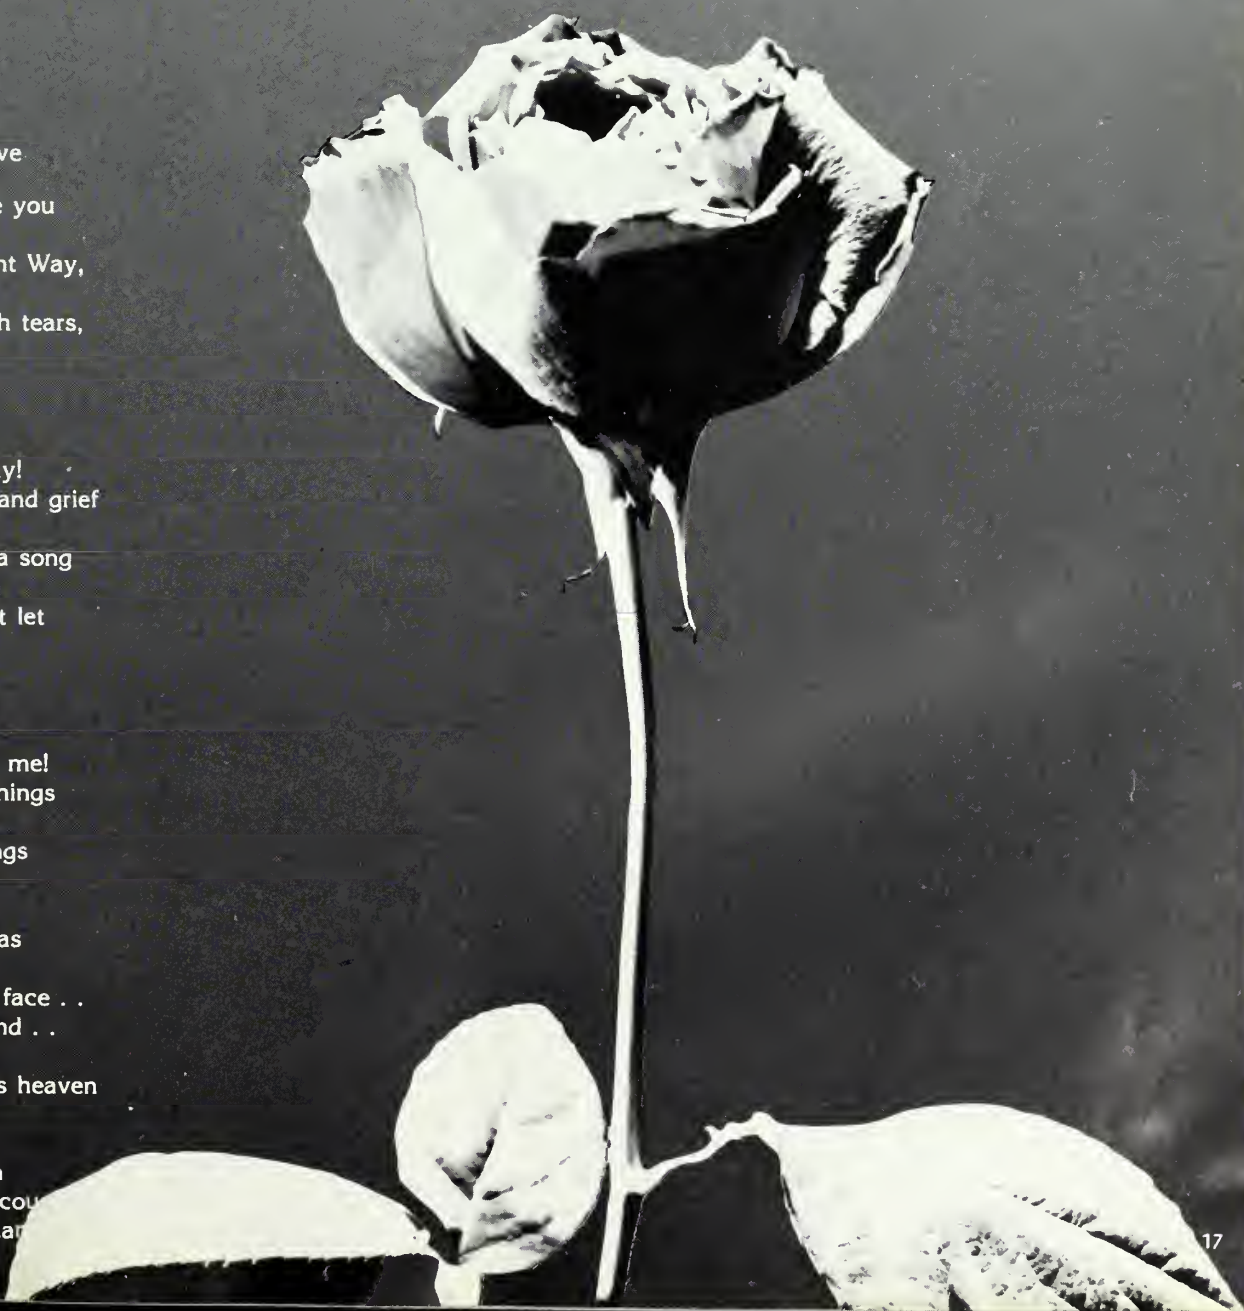

Laura Zimmermann

## To Those I Love

If I should ever leave you  
whom I love  
To go along the Silent Way,  
Grieve not,  
Nor speak of me with tears,  
But laugh and talk  
Of me as if I were  
beside you there.  
(I'd come - I'd come,  
could I but find a way!  
But would not tears and grief  
be barriers?)  
And when you hear a song  
or see a bird,  
I loved, please do not let  
the thought of me  
Be sad . . . For I am  
loving you just as  
I always have . . .  
You were so good to me!  
There are so many things  
I wanted still  
To do - so many things  
to say to you . . .  
Remember that I  
did not fear . . . It was  
Just leaving you  
That was so hard to face . . .  
We cannot see Beyond . . .  
But this I know:  
I loved you so - 'twas heaven  
here with you!

# IN MEMORIAM

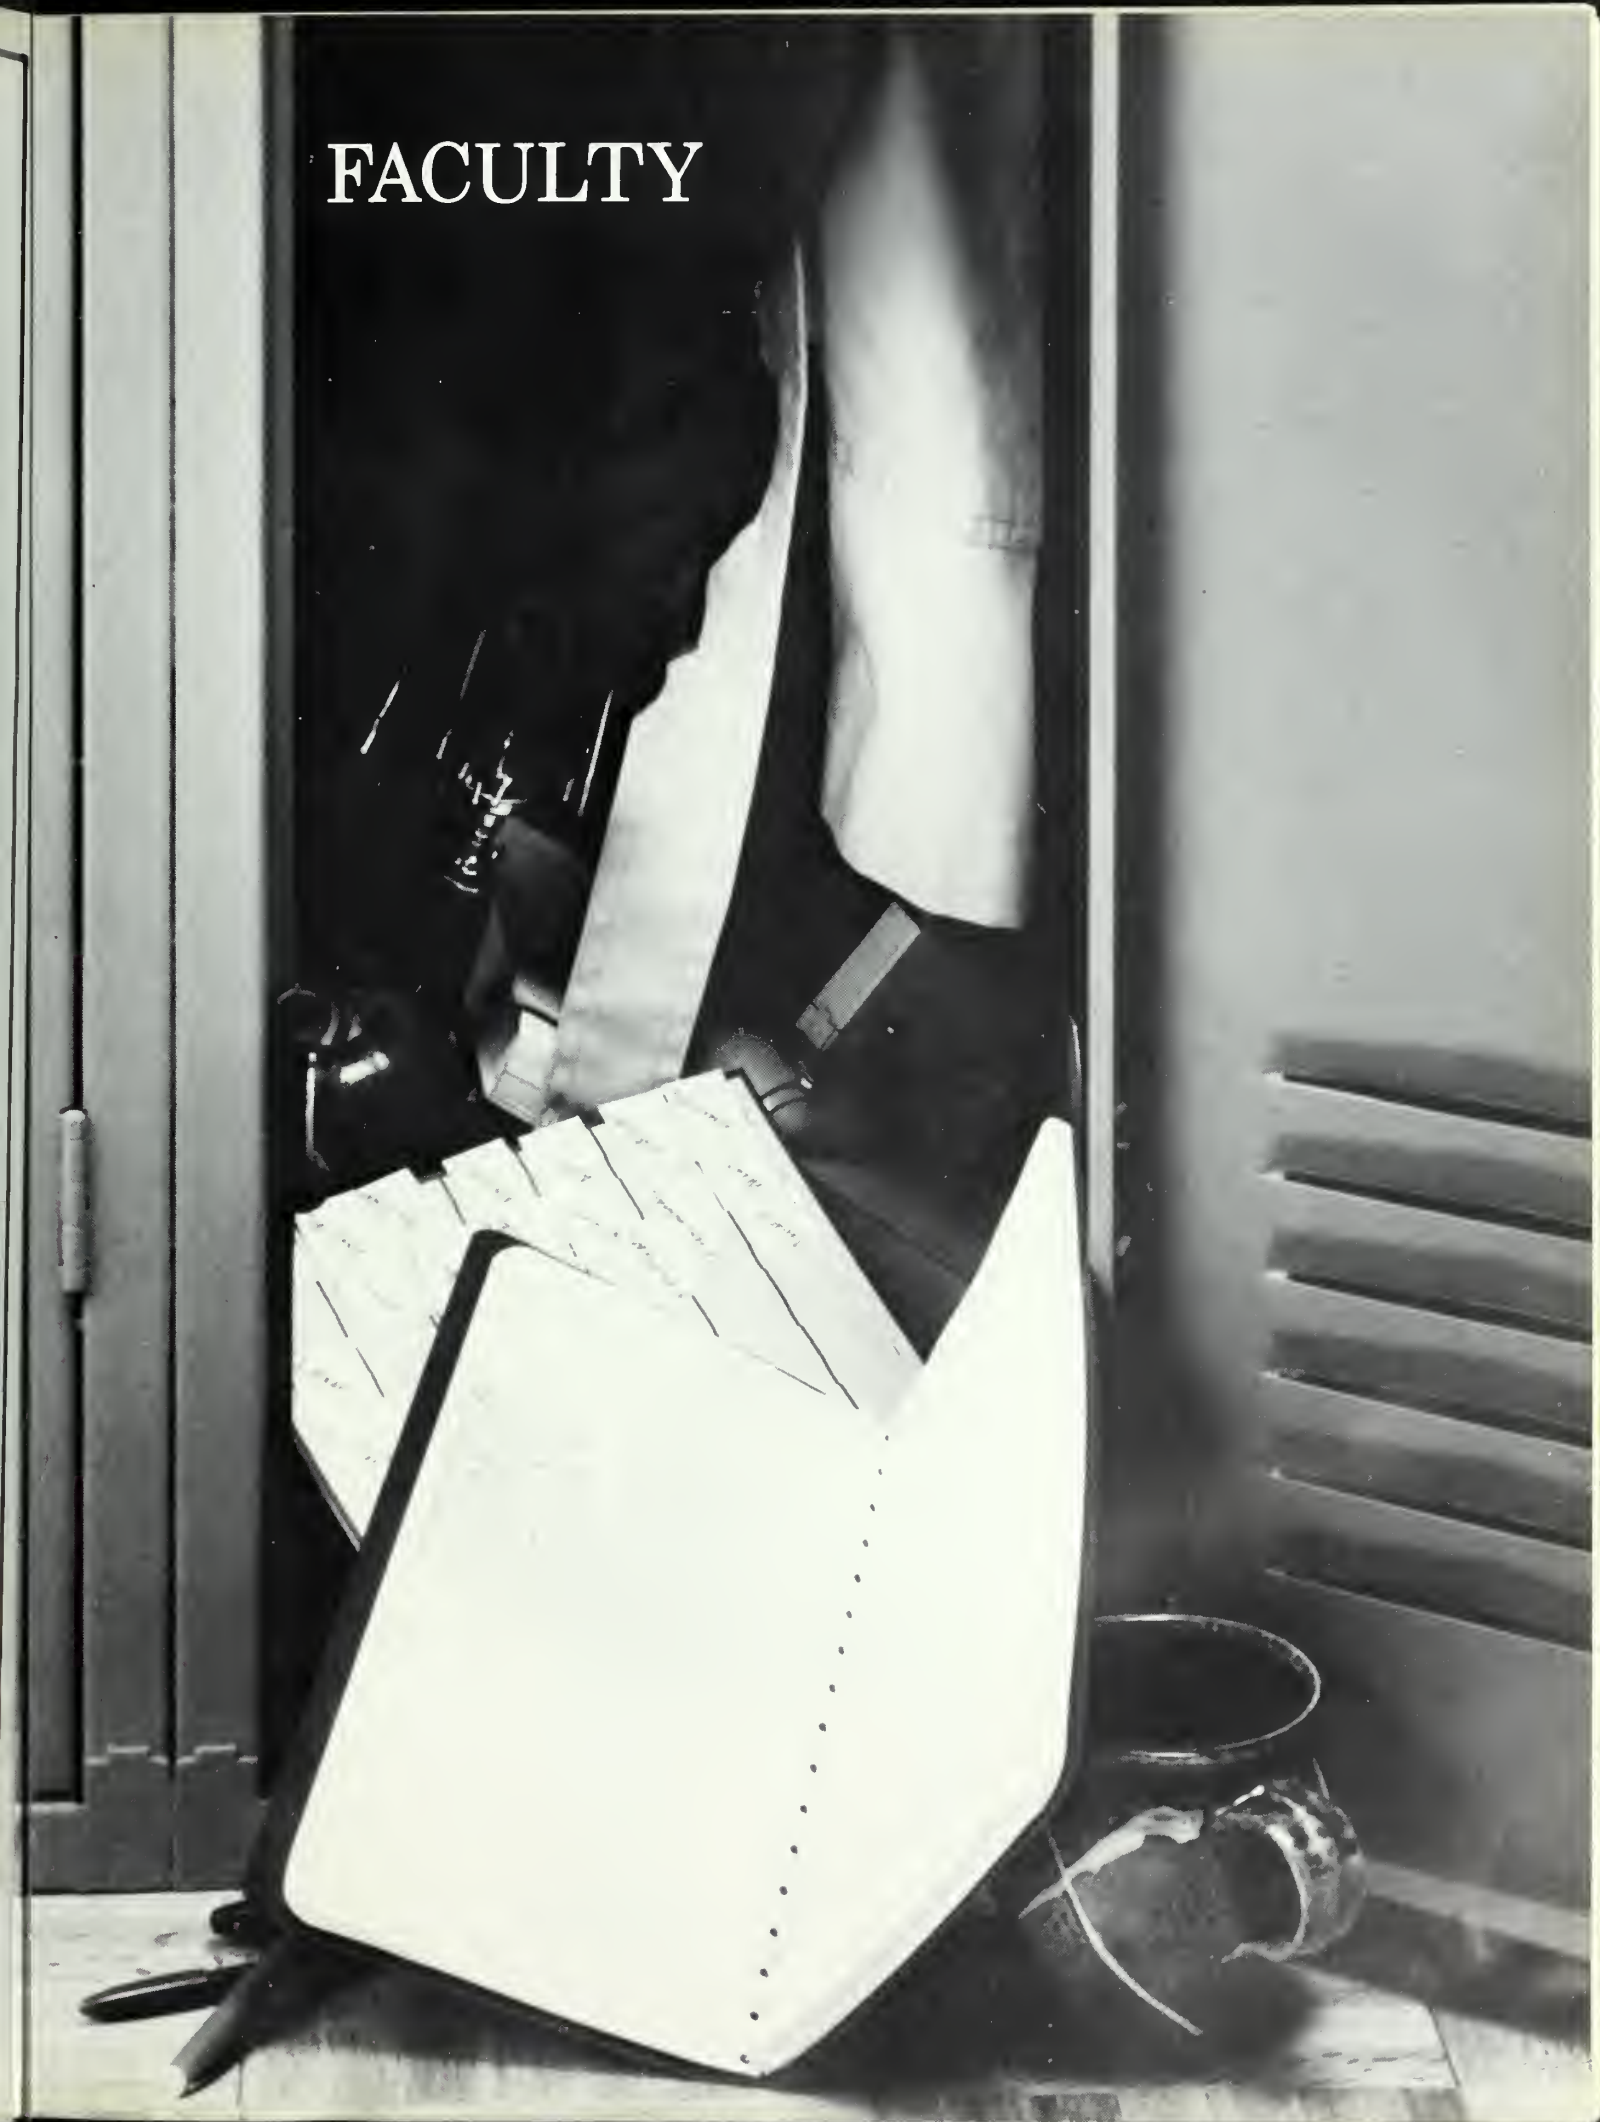

KENNETH LIPMAN

He valued each student for his/herself and didn't base that evaluation solely on grades or "textbook philosophy". He took time to know the students he was counselling. He was also a good listener as well as a good advisor.

The students of Peabody High School will miss the kindness and caring touch of Kenneth Lipman.

Dear Members of the Class of 1988:  
The time has passed quickly since that day in September of 1985 when you arrived at Peabody Veterans Memorial High School. I find it difficult to believe that the three years have in fact passed. From a group of wide-eyed Sophomores, you have grown and matured into seniors and graduates, wise to the ways of Peabody Veterans Memorial High School, and wiser yet to the ways of the world that you will be fully facing on the day following graduation. I trust that you have found your days here interesting and rewarding. I certainly have enjoyed the time I have spent working with you. One of the overriding pleasures of my job is watching people grow, change, and mature immensely in that short space of three years. I share in the joys of your successes whether academic, athletic, or extracurricular, and experience with you the disappointments of failure in some instances. I am not attempting to take credit for your accomplishments. In most cases all I did was step back and watch you work toward your honors and awards. I hope that I was able to provide some assistance and support for you in those times when you needed a boost to keep on track. Despite your accomplishments up to this point, your best days are yet to come. You have spirit, strength, and a solid grounding in the fundamentals as evidenced by your diploma. I am sure that I will be hearing much of you as individuals in the future as you each pursue your chosen course. Rest assured that there will be a loud voice cheering you on and continuing to take pride in what you will doubtlessly achieve. Congratulations on your past accomplishments. Thank you for the experiences of having worked with you.

Sincerely,

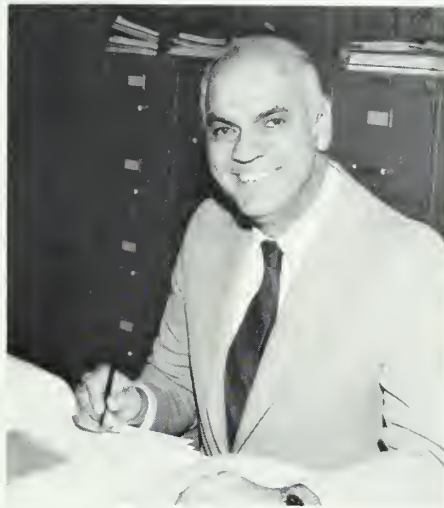

A handwritten signature in dark ink, appearing to read "Charles J. McCarthy, Jr.", written over the word "Sincerely,".

## GOOD LUCK

As our high school years are coming to a close, and we are all preoccupied with the decisions we must face, let us not forget the friendships that took us so long to make. This is why we feel so strongly about the dedication of this years M.E.T.A. Yearbook "To Friendship". Let us all reserve a special place in our hearts where we store the memories of the past four years. For it is those friendships and memories that we can never be deprived. We hope that you have enjoyed the events and activities as much as we have enjoyed planning them. Let us hold our heads high and go forward into the future with the enthusiasm we had when we first began our high school career. Although we may cross paths on occasion and reminisce about the times we shared, never forget the true feeling of friendship we've shared.

Best of luck in the future

# CLASS HISTORY

On September 4, 1985 the Class of 1988 entered the fieldhouse. Principal McCarthy told us that we were the last class to enter the high school as sophomores. We felt pretty good to finally be in high school, but our minds were soon to change. Mr. McCarthy announced the homerooms each of us would be in, and then we were escorted away by our teachers. Then there was that confusing walk up to the room. How am I ever going to find this every morning? And at 7:30 A.M.? When we arrived at our homerooms, we were given our schedules and lockers. Then we were taken on a tour of the school, A-House-Blue, B-House-Red, and C-House-Orange?

After we had started to feel secure in homeroom, the bell rang and we were sent off to our first class. Although we got lost the first few tries, we eventually found the way to our first class, and soon the rest of our classes. At the end of the day we also managed to get on the right bus. We returned the next day to be accompanied by the upperclassmen, the juniors and seniors. It had finally hit us that we were just lowly sophomores.

We eventually got into the swing of things and elected our class officers. Jessica Athas was President, Jan Callahan was Vice-President, the Secretary was Ellen McBreen, and the Treasurer was Delphina Gomes. Along with our class advisor Mr. Terlizzi, we were able to raise \$1000

in the magazine drive.

Two odd things did occur in our sophomore year. Eight, yes eight fire drills in one day, remember? And the second was the broken water pipe in the cafeteria. The rain on the cafeteria!

Well, we did make it through our sophomore year. We watched the seniors graduate and obtained the new title of JUNIORS.

Our new class officers were President Ellen McBreen, Vice-President Bailey Buchanan, Secretary Krissy Newhall, Treasurer Delphina Gomes, and our class advisor was Mrs. Yost. We also started to prepare to get our licenses. Weren't Tanner City Driving Classes fun? Also, with the addition of the freshman class, the halls were much more crowded.

On October 31, 1986 we attended the Junior Halloween party held at Kowloon's. Best Costumes went to Kim DiStacio as a Spanish seniorita and the Blues Brothers, Marc Fermanian and Bryan Tirone. The best group prize went to a group of clowns, Ellen Leonard, Viki Hernandez, Sue Burns, JoAnne Hunt, Sharon Kamens, Dayna Mendonca, Traci Contilli, and Kristyn Murray.

In November we were fitted for our class rings. And who could forget our football season? Our Tanners were champions of the GBL and

# CLASS HISTORY

went all the way to the Division 1 Superbowl in Foxboro's Sullivan Stadium.

On February 27 we attended our semi-formal at Jimmy's Allenhurst. Everyone looked great and we danced the night away to the music of Dance Music Express.

The Spanish Club held its first Lip Sync Contest in March. The winners were Bryan Tirone, Jeff Neil, and Steve Zampitella, the Buggin' Crew.

Our Junior Prom was at the Sheraton-Tara, Danvers on May 8. The girls looked great in their gowns and the guys in their tuxes. Class president Ellen McBreen took the title of Prom Queen and Josh Siegel stole King. The prom was a pleasant ending to our junior year, and after the old seniors graduated, we became the new SENIORS!

We elected Ellen McBreen as President, Billy West as Vice-President, Karen Lattanzi as Secretary, and John Doherty as Treasurer, and our new class advisor was Mrs. Irish. We kicked off our senior year with our Luau at Kowloon's. We danced the night away in our jams and Hawaiian shirts to the music of Dance Music Express. But this was just the beginning of our long awaited senior year.

College applications were to be completed and SAT's to be taken. We also had our senior pictures to hand out.

On November 10, our Costume Party was held at Prince Spaghetti House. Stacey Goldbaum won best individual costume by dressing up as a telephone. Dayna Mendonca, Su Burns, and Joanne Hunt won best group, wearing costumes for Huey, Louie, and Duey. A good time was had by all as DJ Chris Culkeen spun the tunes.

It was time to be measured for our caps and gowns on January 14. We finally started to realize that graduation day was not too far away.

Our Senior Snowball was held on January 18 at the Danversport Yacht Club. Chris Culkeen was the DJ as all the seniors danced the night away.

With second quarter ending, our Senior year had started to wind down and the pressure had started to lessen. There were so many plans to make. Graduation on June 5, 1988 would be here before we knew it. Our high school years would come to a close. At our twenty-fifth reunion it will seem just like yesterday that we received our yearbooks and parted from close friends to pursue our own individual futures.

May you, members of the Class of  
1988,  
have the best of luck always!

The Tanners could not repeat last year's superbowl season, finishing the year with a frustrating 5 wins and 5 losses. A virus plagued the squad early on, and injuries left casualties on the sidelines after each game. Co-captains Todd Dabrieo and Mike Rock headed the offensive and defensive lines, along with guard Bob DeCarlo and tackle Jorge Enes. Senior quarterback Jon Wojcik, kicker and end Kevin McGovern, and all-star running back Lee Miller kept the offense going. Sophomore Scott Webster and juniors Tom Curran, Rob Brunelle, Wallace Johnson, Jeremy Coffey, and Dave Silva showed their talents on the field also.

The 1987 Girls Soccer team had a very successful season. The Tanners advanced to the Division 1 North semi-finals, but were knocked out in the fifth overtime by top-seeded Concord-Carlisle. This was the fourth year in a row that the girls have qualified for the tournament. It was also the first time the Tanners scored in tournament play and had 2 post-season victories. Goalie Viki Hernandez, the MVP of the season, led her team to a final 14-2-2 record. Outstanding offensive players included seniors Su Burns, Tobi Keenan, Joanne Hunt, Ellen Leonard, and Kristyn Murray, and junior Sarah Boyd. Julie Goodwin and Krissy Newhall played exceptionally well on defense for the Tanners. Dayna Mendonca took on both offense and defense throughout the season for Peabody.

The undefeated Girls Cross Country team took first place in the Greater Boston League this year. The Tanners were led by Lori Romano, who placed first in all but one meet. Co-captains Jen Brooks and Cathy Pettipas, along with Chantelle Violette and Rhonda Rosenthal, also contributed to the team's successful season.

JJ Mason, John Giannelli, and Mike DeRouin contributed to the team offensively while Eric Paolucci and Dave Russo brought up the defense. Sophomore John Brown took the net for the Tanners, playing his first varsity season.

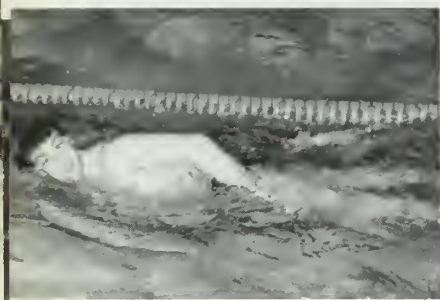

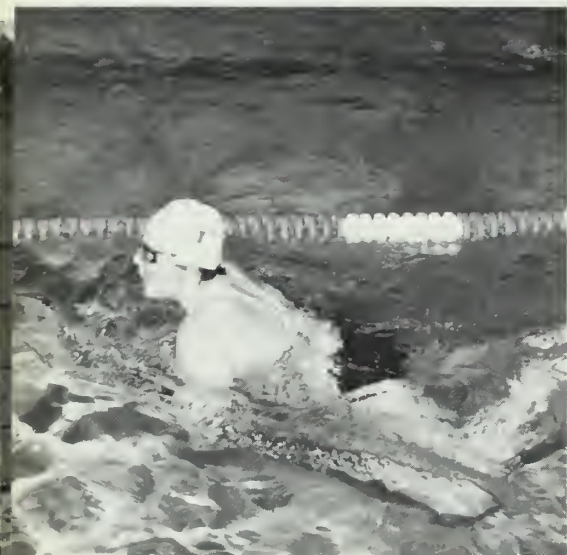

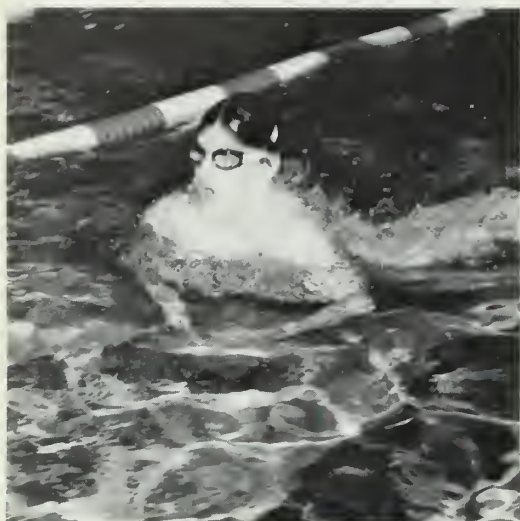

The Boys' Indoor Track Team had a great season finishing with a 6-1 record. The team was led by captains Mike Eon, Scott Lucas, TJ Fabrizio, Jorge Enes, and Billy West. A highlight of the season was the quartet of Jeff Appelstein, Wallace Johnson, Billy West, and Scott Lucas taking a third place finish in the 4 x 200 meter relay at the Class 'A' State Relays in 1:36.4. The team also had a strong showing at the League Meet and the Northern Area.

The Girls' Indoor Track Team grabbed the GBL title for the second consecutive year, turning in an undefeated 7-0 record. The team was led by tri-captains Ellen McBreen, Jen Brooks, and Michelle Pappas. ## CLASS HISTORY

When we arrived in 1984, we were considered Pre-Voke students. That year we had all the slime jobs. Mr. Kohut spilled transmission fluid down his pants. Chris Tavares and Tony Barrete couldn't help themselves and drove a shop car around the school with no licenses. Of course they were caught. Sean Bullerwell got caught taking a chamois cloth without permission. He later was known as "The Chamois Stealer". John Denis got kicked out of every shop during his difficult Pre-Voke year. Finally, Mr. Lembidakis' shoes caught on fire when his electronic heater went wild.

Come sophomore year things really didn't get much better. Mike Fortin was his charming self when he told Mrs. Crocker that she should move to England where everyone was just as perfect as she. Charlie Freeman broke his collar bone in football. Hot ash went down Mr. Kohut's pants. Mr. Kohut did have his problems. Tony Barrete thought air was not compressable. Carpentry class nailed gloves and objects under the shingles of the shed we were building. Tracy Dow got his

thumb broken by a 35lb. flea. Earl Gagnon lost his famous front tooth when Mike Fortin worked him over in Mr. Mello's history class. John Denis was watched carefully this year for kicking cans around shop. During sophomore year the "bird-bath" or wash basin got a lot of use. Mr. Rollins was placed in there and given a good soaking

By junior year we all felt a little more relaxed with our setting, but things always managed to spring up. Ray Weatherbee got suspended for refusing to come to detention. What a brat! Manny Ataide got his hair full of break fluid. Al Sharpe got his hair washed in the toilet in the gym. Carpentry juniors got caught drinking something by Mr. Marquis. Auto juniors weren't much better and hung a freshman by his pants on the chair lift and left him there during lunch. Remember another freshman who got hog-tied by Donnie Knight and Ray Weatherbee? Those freshman did have a rough year.

Now it's our senior year and we feel like we own the place. Donnie Knight and Ray Weatherbee got

caught borrowing the carpentry bus. Mike Fortin, thinking he was superman, tried to stop a car, which was out of control, with his body. He was not successful. Joe Furtado's nose and fingers were slightly rearranged by Earl Gagnon's famous slapshot. Linatopi was president of the senior class and didn't remember he was until we told him in February. Remember the day Todd Stevens lost his pants in front of Mr. Decowski? For the last three years Machine shop has held the record for the most suspensions, detentions, lates, and absences of any other shop in the school. Curtis Bartlett says that school lunches can't get worse since they're pretty bad right now. David Karakaya says that the Voke is "fantabulous". I think we all agree with Dave.

Finally, "Vokes" love cars, and fast blondes, "cb" and who ever said that the good guys don't wear black? Voke guys are always covered in black something or other.
